### ATTENTION 10<sup>th</sup> and 11<sup>th</sup> GRADERS IN THE CITY OF PHILADELPHIA!

- Are you fed up with violence in your community?
- Do you want to spend your summer working with like-minded, motivated students from across the City?
- Are you interested in science, health, and technology fields like forensics, medicine, and physical therapy?

If you answered yes to these questions, The College of Physicians of Philadelphia's **2015 Teva Pharmaceuticals Summer Internship** could be for you. Please read below for more details.

#### What's the program about?

This summer, 16 Philadelphia high school students will explore the impact of violence on themselves and their communities while building skills and improving their understanding of science and technology. Our program will focus on the following areas:

- Learning and applying forensic techniques such as fingerprinting, ballistics, soil sampling, DNA testing, and crime scene investigation
- Understanding the health system's response to individuals with a traumatic gunshot wounds, including emergency room procedures, rehabilitation, and physical therapy
- Understanding the body's physiological response to stress and stress relief techniques
- Learning to talk, heal, and build community with your peers

Students will work closely with College staff, the collections of the College's Mütter Museum, and experts from a variety of fields and institutions.

#### When does it start and what are the hours?

This is a four-week summer internship that takes place from **June 22<sup>nd</sup> to July 17<sup>th</sup>, 2015**. Students will work four days a week from 10am to 4pm (24 hours/week). The stipend is \$10.00/hr.

#### Who is eligible?

Any 10<sup>th</sup> or 11<sup>th</sup> grader currently enrolled at a school within the School District of Philadelphia is welcome to apply. Students from Philadelphia Charter Schools are also welcome to apply. At this time, 12<sup>th</sup> grade students are NOT eligible to apply. In addition, students from private or parochial schools are NOT eligible to apply. All students must obtain working papers and have a parent or guardian grant permission to participate prior to starting the internship. Information on obtaining working papers can be found here:

<http://webgui.phila.k12.pa.us/offices/c/cte/working-papers>

#### How do I apply?

Each student must complete an application form; provide a resume; write a 1-2 page essay; submit a letter of recommendation from his or her school or after-school program; and get a parent's or guardian's permission to apply.

#### When is the deadline?

Completed applications must be postmarked by **Friday, May 17<sup>th</sup>, 2015**.
