

"The Americans - Photographs by Robert Frank." *LensCulture*. N.p., n.d. Web. 07 Feb. 2017.
<https://www.lensculture.com/articles/robert-frank-the-americans#slideshow>

On this website, it describes a little bit about Robert Frank's photos in his book of photography "The Americans". The writer describes the background of Frank's photos stating that they are of post war american. The photos consisted of architecture as well as people and depicted a very normal setting that without the background knowledge you wouldn't know it was after a war.

"How To Shoot Outdoor Portraits." *Amateur Photographer*. N.p., 01 Dec. 2014. Web. 07 Feb. 2017.
http://www.amateurphotographer.co.uk/technique/portrait_photography/how-to-shoot-outdoor-portraits-331

For this website, it talked more about how to take the best possible portraits of people when outdoors. I found this helpful because most of my photographs are outdoors and it is very beneficial for me to be able to take quality photograph using skill and knowledge of how a camera works. It also talked about the importance of using what you have around you such as light and shade as well as setting and what you might see in the background.

"Canon EOS Rebel T3i/600D For Dummies." *Dummies*. N.p., n.d. Web. 07 Feb. 2017.
<http://www.dummies.com/photography/cameras/canon-camera/canon-eos-rebel-t3i600d-for-dummies/>

On this website, it was more about the manual functions for the camera that I will be using. Most of the function are pretty straightforward and while working on my capstone I will be able to figure it out more and become more comfortable with my camera. I think that this website helps a lot because this is a large factor in how my photographs will come out. I think that I will also at a certain point be able to experiment with exposure and lighting and come out with some really interesting photos.

<https://www.facebook.com/susan.tuttle.144>. "10 DSLR Photography Tips for Better Photos." *Susan Tuttle Photography*. N.p., 05 Jan. 2014. Web. 07 Feb. 2017.
<http://susantuttlephotography.com/dslr-photography-tips/>

This website talked about trick for beginners to using their camera and taking quality photos. This website would help a lot for me. I think that it would help because again knowing how to use the exposure and lighting correctly.

"Mary Ellen Mark Home Page." *Mary Ellen Mark Home Page*. N.p., n.d. Web. 07 Feb. 2017.
<http://www.maryellenmark.com/index.html>

This source hold all of Mary Mark's photography book as well as other works. I think that this is an important source to have because it allows me to see her point of view and the way she takes her photos. I think that it is important to see different example so that I can take inspiration from those.

Http://facebook.com/jane.friedman. "Start Here: How to Publish Your Book." *Jane Friedman*. N.p., 14 Oct. 2016. Web. 07 Feb. 2017.
<https://janefriedman.com/start-here-how-to-get-your-book-published/>

This source is useful for me because i am planning to create a photobook and I think that understanding how to make this book something for the public would be an important topic to understand. In the text it stated that there was no age requirement and knowing your genre would make getting a book published easier.

"The Writers' Workshop." *How to get published, How to get a book published* | *WW*. N.p., n.d. Web. 07 Feb. 2017.
<http://www.writersworkshop.co.uk/How-To-Get-Published.html>

This website talked about different types of publication routes that I could go. I think that the one that most applied to me was the self publishing or digital publishing where all of my work would be posted online.

"History of South Philly timeline." *Timetoast*. N.p., n.d. Web. 03 Apr. 2017.
<https://www.timetoast.com/timelines/history-of-south-philly>

To me this source is very useful, it is useful because since all of my photos are of my neighborhood in south philly. I think that it is useful to know a little history about it. I also think that I can incorporate its history with current things going on around here.

"Photo Books & Photo Albums | Make a Photo Book Online." *Shutterfly*. N.p., n.d. Web. 03 Apr. 2017.
<https://www.shutterfly.com/photo-books>

For this link, I am possibly thinking about using a company to print my photo catalogs and having just a few printed. I think that this is a possible option however, there are a few price ranges that seem out of reach for me considering I have no way to pay for these.

"Complete This Quick Form For Our Best Quote (Takes about 1 min)." *Ex Why Zed*. N.p., n.d. Web. 03 Apr. 2017.

<http://www.exwhyzed.co.uk/quote-form-step1/>

This is another website that I might use to get my photo books printed. I think that this website would be a lot more useful to me because they specialize in making zines.
